I really don't go into my step daughter's room and I was in my room cleaning up when step daughter came into my bedroom and said Whitley's Jacket is here. She said, it was the same jacket that she had on the very same night that Christian died. She said what do I need to do and I said let me think about and I will let you know the next day. The next day that when I called y'all this morning about the jacket. I asked her where the jacket was and my step daughter said it was on her bed post and I said leave it there and don't touch it and I went and got a garbage bag and put the garbage bag over the jacket and put it in the bag. After I put the jacket in the bag I put the bag on the floor and came down to the police department.

Q: What is your step daughter's name?
A: Dallas Steele

Q: Why was Whitley's jacket at your house?
A: Because she was staying at our house for about 4 days after Christian's death. I guess she never came back and got it.

Q: Did Whitley tell you why she wanted to stay at your house instead of going home?
A: No and I avoided asking her anything. I remember that my step daughter said that Whitley ran off to the coast because she was scared that Christian brother thought she had something to do with Christian's death.

Q: When was the last time you seen Whitley since she left your house?
A: It was the Sunday a week before Easter Sunday.

Q: Is there anything else you would like to add to your statement or any question of me?
A: No

Q: Is your statement true to the best of your knowledge?
